Not only do we need services &/or supplies like paper goods, a variety of food & beverage options and printing for some of the above programs, Jackson requires other services like schools supplies, building/field/ground maintenance, video-taping for events, and more!

We need local businesses that can donate **\$2500.00** worth of goods and services during the 2010 – 2011 school calendar year. As a Partner, your business would become a preferred vendor for Warren T. Jackson. With this program, we will provide the following advertising opportunities:

- A full-page ad in the Jackson Directory (a \$1500 retail value).
- Your business will be listed at the top of the Jackson Pause, distributed weekly to all Jackson families.
- Two scheduled e-mail blasts that will link our parents to your website or announce specials your organization is offering.
- A large banner with your company name that will be displayed at Jackson events.
- A Partner link on our website.
- An option to distribute a direct marketing flyer to Jackson families via school book bag twice a year.

Your organization can reach out to over 600 families in the Buckhead area.

Your neighbor on Mt. Paran Rd. just west of Northside Drive.
