### YOUR SUPPORT IS NEEDED!

Join our 2010 -2011 Friends of Jackson Program and support our successful events planned for next year.

We need local businesses that can donate **\$500.00** worth of goods and services during the 2010 – 2011 school calendar year.

Not only do we need services &/or supplies like paper goods, a variety of food & beverage options and printing for some of the above programs, Jackson requires other services like schools supplies, building/field/ground maintenance, video-taping for events, and more!
