At Georgia Natural Gas® (GNG), we understand that a strong school system is integral to a community's success. That's why we created the **TrueBlue Schools®** Program – a simple fundraising solution open to all residential natural gas users. By enrolling in the TrueBlue Schools program, you automatically help raise money for the Georgia school of your choice. Anyone can participate – and the more people who sign up and select your school, the more money your school receives. **IT'S THAT EASY, AND IT ADDS UP FAST!**
